VISTA Technology Services Appoints Harold Hanson to Board of Directors

Harold Hanson has previously served on VISTA Technology Services Board of Directors and is a welcome addition.

McLean, VA September 25, 2015 – VISTA Technology Services, Inc., (VISTA) recently appointed Harold Hanson to its Board of Directors. Harold has served on multiple Boards of Directors and Boards of Advisors. He has a strong acumen in government contracting, ethics and compliance, quality control systems, mergers and acquisitions, in addition to corporate governance. Harold previously served multiple terms on VISTA's Board of Directors and shares a familiarity and affinity for VISTA. "Harold's career in corporate advisory roles follows a long and distinguished civil service career with the Navy," stated Rod Buck, President & CEO. "His vast experience is welcomed and appreciated here at VISTA."

About VISTA

VISTA Technology Services is a Veteran-owned, small business that specializes in Data Management, Enterprise Solutions, Real Property Planning and Professional & Administrative Services. VISTA eliminates unnecessary spending, delivering as much as a 100-to-1 return on investment in its management, information technology and real property consulting services. By comparing an organization's mission, budgets, workforce trends, VISTA creates solutions that cut costs and eliminate waste. For more than 30 years, VISTA's solutions have helped clients run better - cutting costs, eliminating waste and improving performance.
