VISTA Technology Services Inc. Takes Time to Give Back

VISTA Remains True to One of Its Guiding Principles by Giving Back to a Local Charity, So Others May Eat

McLean, VA December 19, 2016 – One of VISTA's guiding principles is social responsibility which includes finding ways to make things better where we work, live and play. In that spirit, VISTA employees recently participated in a shoe box drive for So Others May Eat (SOME) by donating hats, gloves, scarfs and personal hygiene items for the shoe box drive. Employees gathered in VISTA offices in McLean, Virginia; Lexington Park, Maryland; and Raleigh, North Carolina to pack and wrap the shoe boxes. SOME will distribute the boxes to the homeless and those less fortunate. Rod Buck, President & CEO, remarked “VISTA provided the time and space for employees to participate. It was an optional activity and very heart-warming to see the vast majority of our employees across our organization volunteering their time and/or items for the shoeboxes.”
